Silver Eagle Discography

Silver Eagle was a Canadian company headquartered near Toronto at 115 Apple Creek Blvd., Markham, Ontario, Canada. The label was a subsidiary of LaBuick & Associates Media, Inc., and label President was Ed LaBuick. The Media company specialized in TV marketing, and in addition to Silver Eagle also promoted Time-Life. In addition to LPs, Cassettes, and CDs, Silver Eagle also released videos.

They established an office in the US at 4 Centre Drive, Orchard Park, NY (later, 777 N. Palm Canyon Dr., Palm Springs, CA), and often licensed product from the Special Products Divisions of the major record labels. They typically would pre-sell an album using 2-minute TV spots in stations across the country, then use that demand to place product in retail stores. They had their own manufacturing plant and distribution system, and according to LaBuick, sold many millions of albums. LaBuick later became head of the Music Division and Special Products Division of the major Quality Label in Canada.

Note: All distributed by Silver Eagle unless noted otherwise.

Silver Eagle/Polytel 816 642 2.2 - *Ready to Rock* - Various Artists [1988] (2-CD set) Over a half-dozen songs were deleted from the vinyl version, and "Magic Carpet Ride" added. A fairly slipshod job throughout. Sound quality is mediocre, weak in midranges giving the songs a very thin sound. Audible surface noise on many tracks. Toss in a slight distortion on most tracks, and this package begs you not to buy it. "Talk Talk" by the Music Machine is pathetic; as the song starts, you can hear a different part of the song playing in the background.
