

## Discography of the Savoy/Regent and Associated Labels

Savoy was formed in Newark New Jersey in 1942 by Herman Lubinsky and Fred Mendelsohn. Lubinsky acquired Mendelsohn's interest in June 1949. Mendelsohn continued as producer for years afterward. Savoy recorded jazz, R&B, blues, gospel and classical. The head of sales was Hy Siegel. Production was by Ralph Bass, Ozzie Cadena, Leroy Kirkland, Lee Magid, Fred Mendelsohn, Teddy Reig and Gus Statiras.

The subsidiary Regent was established in 1948. Regent recorded the same types of music that Savoy did but later in its operation it became Savoy's budget label.

The Gospel label was formed in Newark NJ in 1958 and recorded and released gospel music.

The Sharp label was formed in Newark NJ in 1959 and released R&B and gospel music.

The Dee Gee label was started in Detroit Michigan in 1951 by Dizzy Gillespie and Divid Usher. Dee Gee recorded jazz, R&B, and popular music. The label was acquired by Savoy records in the late 1950's and moved to Newark NJ.

The Signal label was formed in 1956 by Jules Colomby, Harold Goldberg and Don Schlitten in New York City. The label recorded jazz and was acquired by Savoy in the late 1950's. There were no releases on Signal after being bought by Savoy.

The Savoy and associated label discography was compiled using our record collections, Schwann Catalogs from 1949 to 1982, a Phono-Log from 1963. Some album numbers and all unissued album information is from "The Savoy Label Discography" by Michel Ruppli. Some track information is from the "JAZZDISCO.org" website. Tracks are listed in order they appear on the albums, when known. The double slash (//) is indication of the separation between sides. Titles listed without a double slash (//) are listed as printed in the Phono-Log, Schwann catalog, or JAZZDISCO.org and the separation between side one and side two is unknown.

The discography covers the Savoy label and its subsidiaries Dee Gee, Gospel, Regent, Sharp, and Signal.

## Savoy Label Discography

The Savoy label is red with silver printing. "SAVOY" above the center hole in silver. The same label was used on both the 10 inch and 12 inch albums. Later in the Savoy history a more maroon label with the same design was used.

### 10 Inch 9000Series
